

Landrum Sea Lion's Surf Club

Landrum Middle School in partnership with the Florida Surfing Association is proud to announce the inception of Landrum's first ever surf club. The Sea Lions Surf Club was formed for the purpose of sharing a love of the sport and giving back to community through volunteerism. This club is for any kids who have already experienced the wonder of surfing and those who have a desire to learn the sport or for any student who is simply interested in the beach scene and wants to be involved.

We have scheduled events that include social activities and community service combined with plenty of cool surfing events to engage all of the kids. Free surfing instruction and half price surf camps will also be offered by the Florida Surfing Association to members of the Club. A sampling of events that are already scheduled include an end of year beach party with free surf instruction, our own heats in local surf contests such as Surfing the Blues in April, involvement with Silent Surfers, Surfers for Autism, Wounded Warriors and many more!

Our first event / fund raiser will be held at Bogey's grill, Wednesday January 18, from 6pm – 9pm. Bogey's is donating 10% of all of their proceeds for the evening to the Sea Lions Club. Local Surf Professionals and our sponsor Sunrise Surf Shop will be in attendance with photo signings and giveaways. Paul West, Founder of the Florida Surfing Association will be speaking about the organization and membership benefits for the kids. We will also be announcing the winner of our free surfboard from the raffle to benefit the Wolitz Family who suffered a major tragedy late last year. Tickets for the raffle will be available early in the evening on the 18th and are currently available through members of the Sea Lions and at Sunrise Surf Shop.

For more information about the club or to become a parent volunteer for the club please contact Trina Dockery at 904-514-2750.

Social activities and community service with plenty of surfing events
